18:45	1st round DINNER								
19:15	2nd round DINNER								
19:45	BUS Shuttle to pickup points	3rd round DINNER							
20:30									

**FLAG PARADE**

At the opening ceremony, we will have our traditional Flag ceremony. All National Organizers are requested to select a maximum of 2 team members from their delegation to represent their country on stage.

Please note:

- Max 2 students per country on stage- No adults on stage!
- Please bring a flag of your country
- Ensure the flag is not too big; a maximum of 130x110 cm is really big enough...
- NO flag on a pole

**MEALS AT BRIXIA FORUM**

To access the restaurant area of the Brixia Forum, please adhere to the assigned shift. For each meal, there are 3 shifts marked with the 3 colors of the Italian flag (GREEN-WHITE-RED). Each color corresponds to several delegations. The assignment of the shift's identifying color will be given upon arrival at the Brixia Forum, along with the badges. We kindly ask you to respect the order to avoid overcrowding. As usual, judges have priority access to the restaurant regardless of their delegation's shift. Your badge is required to enter the restaurant.

**SHUTTLE BUS**

There are many registered delegations, which we are very pleased about, and we have added hotels to avoid splitting participants from different groups. To facilitate transport to and from the Brixia Forum, we have arranged a shuttle service with pickup points based on the locations of the various hotels. In some cases, it will be necessary to use public transport to reach the pickup point; tickets will be provided upon arrival at the Brixia Forum, along with the badges. The shuttles operate during specific time slots; outside these times, it is possible to reach the Brixia Forum using line 7 (area Z1). On September 25, all shuttles will depart from the central train station. The detailed list of pickup points for hotels, with times, will be provided upon arrival at the Brixia Forum.

**LUNCH:** The restaurant will open for lunch at the Brixia Forum starting from 12:00. If you intend to use this service, please book your lunch at the cost of €15, which includes a first course, a second course, dessert and water at the following link:<https://forms.gle/Stg81iYFkgJFJ2uD8>. The payment will be made directly at the venue.
